INTRODUCTION

About Item File Card (IFC)

Item File Card (IFC) is meant for writing question items. This card is made in a specific size (A4) and have 10 columns to enter various technical values like **1)**Administering Details, **2)**Instruction to the examinee, **3)** Question/ Item stem (with answer key/cue) **4)** Scoring Procedure **5)**Subject matter/input (Sub-component) **6)** Objective (Instructional, Education, Societal) **7)** Item Type/Format used **8)** Medium & mode of presentation **9)** Educational level and **10)** Rationale. These are known as **10 Parameters** of a question item.

About Application

This web application is to help the user to input the question items through online portal. Inputted question items automatically get stored into MILES database.

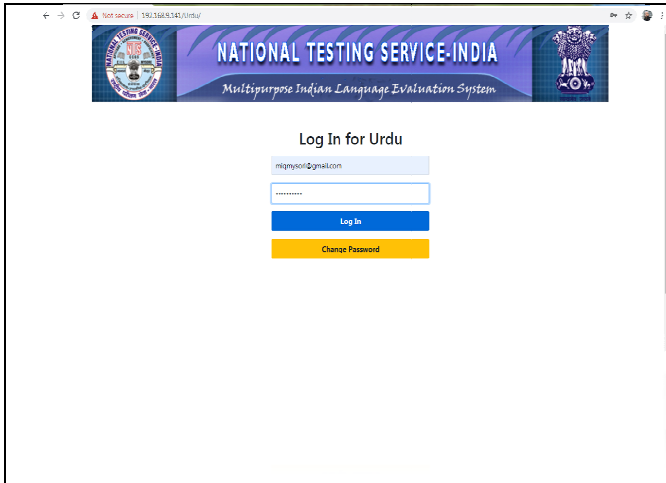

System Requirements

- Desktop/Laptop with minimum specification (Core 2 deo processor with 2 GB RAM OS windows XP, 7 & above etc.)
- Unicode enabled Desktop/Laptop with browsers like Google Chrome, Mozilla Firefox, Internet Explorer, etc. The use of latest version of such browsers is highly recommended.
- To know how to enable Unicode in your system, please watch this video by clicking on this link <https://www.youtube.com/watch?v=XqFOq1BxFdM>
- **Our web based question item inputting application supports only Unicode. We recommend you to use " Jameel Noori Nastaleeq " font. Make sure that this font is available in your Operating System.**

LOGIN SCREEN

Step 1: Open any browser

Step 2: Enter this link in the Address Bar of the browser www.ciil-ntsindia.net/Urdu

The screenshot shows the login interface for the National Testing Service-India. At the top, there is a header with the NTS logo and the text "NATIONAL TESTING SERVICE-INDIA" and "Multipurpose Indian Language Evaluation System". Below the header, the text "Log In for Urdu" is displayed. There is a text input field for the email ID, which contains "mkgymn@gmail.com". Below the email field is a password field with a masked password "*****". There are two buttons: a blue "Log In" button and a yellow "Change Password" button.

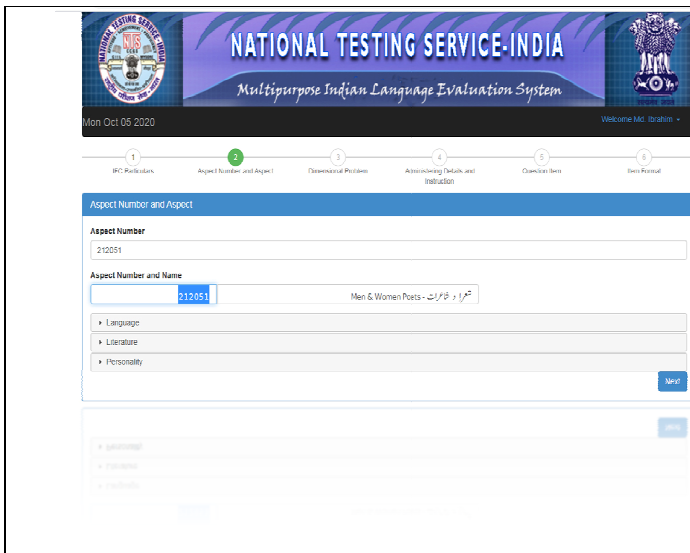

Step 3: Enter your Email-id as Username.

Step 4: Enter password

Step 5: Click on Log In.

IFC PARAMETERS

1. GFR Code and Aspect

The screenshot shows the IFC Parameters screen. At the top, there is a header with the NTS logo and the text "NATIONAL TESTING SERVICE-INDIA" and "Multipurpose Indian Language Evaluation System". Below the header, there is a progress bar with five steps: 1. IFC Parameters, 2. Aspect Number and Aspect, 3. Downloaded Questions, 4. Accounting Details and Instruction, and 5. Opened Item. The second step, "Aspect Number and Aspect", is currently active. It contains a text input field for the "Aspect Number" with the value "212051". Below this is a section titled "Aspect Number and Name" with a dropdown menu showing "212051" and "Men & Women Poets - شاعری / شاعری". There are three radio buttons for "Language", "Literature", and "Personality". The "Language" radio button is selected. There is a blue "Next" button at the bottom right of the form.

Step 6: Select Aspect or Enter the Aspect number from Language / Literature / Personality pertaining to your Question Item.

Step 7: Click on Next button

2. Dimensional Problem

Step 8: Select

Dimension problem and click on Next button. For every selected aspect (Lang / Literature / Personality), corresponding dimension problem will automatically be displayed in the dropdown menu.

3. Administering Details and Instruction

Step 9: Enter Administering Details

Step 10: Enter Instruction(s) to the examinee. Then click on Next button.
