

NATIONAL TESTING SERVICE-INDIA

Centre for Testing and Evaluation

H.Q: Central Institute of Indian Languages

(MHRD, Government of India)

MYSORE - 570 006

Attention ! Scholars / Teachers of Interdisciplinary Areas

Applications/nominations in the **prescribed format** are invited from **eligible Indian nationals** for the following academic positions in the National Testing Service-India, being established during the XI plan period.

For the first time in India, the formulation of the NTS, meant to cater to the testing requirements of the country, has been initiated as perceived by various commissions of education and subsequently envisaged in the NPE / POA 1986, NPE RC 1990, and CABE 1992. The responsibility of implementing this vital scheme has been entrusted to the Centre for Testing and Evaluation in view of its 2 decades of experience in producing *basic reference materials* and *trained-manpower* in various Indian languages.

As a step in this direction, **3 Task Groups (TGs)**, viz., Research & Development (R &D), Survey & Documentation (S & D), and Consultancy & Training (C & T) have been created. The NTS is proposed to be developed with inputs drawn initially from language disciplines (Hindi, Tamil, & Urdu and subsequently the remaining scheduled languages) before extending the same to other disciplines. The immediate focus is on the **two crucial levels** (*standard XII* and *degree*). In order to have the NTS as a participatory movement on quality control, **60 Regional Field Units** are proposed to be created across *16 States / Union Territories* of the country. The TGs will be responsible for achieving the target fixed for them by gradually associating at the rate of 6000 teachers of schools and colleges per annum.

In order to achieve this national goal, NTS proposes to avail the following **services on contractual / deputation** basis.

Sl. No.	Category of Position	No. of Positions	Consolidated • Remuneration per month
1.	Chief Resource Person [CRP] <i>Professor Grade</i>	02	Rs. 69,260/-
