6. कार्यक्रम के दौरान किये गये विषयों पर चर्चा : Topics covered during the discussion	The five-day workshop focused on the critical review, revision, and standardization of glossary terms related to Testing and Evaluation in the Kashmiri language. Key areas covered included the examination of existing terminology for linguistic accuracy, clarity, consistency, and academic relevance; identification of gaps and inadequacies in the current glossary; discussion of contemporary developments in educational measurement, assessment, and evaluation; updating and validation of glossary entries through expert deliberations; development of contextually appropriate Kashmiri equivalents for technical terms; promotion of uniform and standardized usage of terminology across educational and academic settings; and formulation of recommendations for the future enrichment and expansion of the Kashmiri glossary in Testing and Evaluation.
कार्यक्रम का सारांश All the resource persons contributed effectively to the review and standardization of Kashmiri glossary terms in Testing and Evaluation, facilitating meaningful discussions and expert deliberations. Despite the extensive scope of work and limited duration of the workshop, the participants and experts demonstrated remarkable commitment and cooperation throughout. Under the able guidance of Dr. Pankaj Dwivedi (OIC, NTS-I), the workshop was conducted successfully and achieved its objective of reviewing, revising, and validating contextually appropriate and academically relevant glossary entries in Kashmiri.	
7. टिप्पणियाँ/Remark :	Overall, the programme was highly effective and successful.
